

WHAT IS WARM WELCOME?

Rotherham Council and its partners are offering a Warm Welcome at venues across the borough this winter.

These venues are open to anyone to use whether you want to meet with friends and family, get involved in events and activities, or just have a change of scenery while you read a book or do your crossword puzzle.

15 of Rotherham Council's libraries along with Rotherham Civic Theatre and Clifton Park Museum are involved in Warm Welcome.

There are also a range of Warm Welcome events available from our venues. Some of these are listed in this leaflet.

These events are free and are open to any resident of any age.

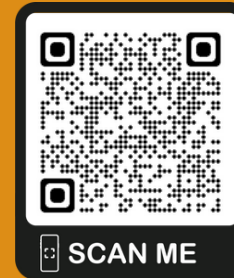

If you have any questions about the Warm Welcome events, ask at any of the libraries or at Clifton Park Museum.

There are also other venues across the borough offering a Warm Welcome. You can find your nearest venue at www.warmwelcome.uk.
